

AGRIFORUM2023

International Forum on Agricultural Science & Technology

August 24-26, 2023 | Webinar

Virtual Presentations/Webinar

agriforum2023@continuumforums.com

<https://www.continuumforums.com/2023/agriforum>

Day 1 - August 24, 2023

London Time Zone (GMT+1)

09:00 - 09:25	I	Title: The Potential of Hemp Biomass as a Feed for Ruminant Animals Krebs Gaye, Charles Sturt University, Australia
09:25 - 09:55	K	Title: Methodological Advances on Mining Novel Genes in GWAS, QTL Mapping and Bulked Segregant Analysis Yuan Ming Zhang, Huazhong Agricultural University, China
09:55 - 10:20	I	Title: Mechanism of Phloem Loading, Transportation and Phloem Unloading of Rice Photoassimilates and their Cultivation Regulation Guohui Li, Yangzhou University, China
10:20 - 10:45	I	Title: Propagation of Phalaenopsis Labukensis by Means of Plant Biotechnology for Conservation Nor Azizun Rusdi, University Malaysia Sabah, Malaysia
10:45 - 11:10	I	Title: ASR1 and ASR2, Two Closely Related ABA-induced Serine-rich Transcription Repressors, Function Redundantly to Regulate ABA Responses in Arabidopsis Hadia Hussain, Northeast Normal University, China
11:10 - 11:35	I	Title: Production and Profitability of Hybrid Rice is Influenced by Different Nutrient Management Practices Ramesh Bhatta, Tribhuvan University, Nepal
11:35 - 12:00	I	Title: New Trends in Animal Housing and their Environmental Control to Avoid Overheating Due to Solar Radiation Absorption Anastasia Martzopoulou, Aristotle University of Thessaloniki, Greece
12:00 - 12:25	I	Title: IoT in Agriculture: Advances on Pest Monitoring and Control of Two Key-pest Flies Theodoros Tsiligkiridis, Agricultural University of Athens, Greece
12:25 - 12:50	I	Title: The Impact of Public R&D Expenditure on Agricultural Productivity in Developed Countries: An Empirical Analysis of the Last 40 years Alessandro Magrini, University of Florence, Italy
12:50 - 13:15	I	Title: Poultry Farming Bisemiire Anthony, Pearl Seeds Ltd, Uganda
13:15 - 13:45	K	Title: Accelerated Growth Enhance Forest Susceptibility to Drought-induced Mortality Jaroslaw Socha, University of Agriculture in Krakow, Poland
13:45 - 14:15	K	Title: Consequences of No-till Farming on the Stink Bug Diceræusfurcatus Populations: A New Pest of Corn that Emerges from Soybean Stubble Jorge Zavala, University of Buenos Aires, Argentina
14:15 - 14:40	I	Title: Optimizing Economic Activity Distribution and Sustainability: The Impacts of International Economic Sanctions on the West Asia Region, with a Focus on the Detrimental Effects of Limited Trade Opportunities for Less Developed European Countries and Dependency on German Monetary Policy Omid Yousefi, Qazvin Islamic Azad University, Iran
14:40 - 15:05	I	Title: Sustainability of Coastal Agriculture in the Face of Soil Degradation Benmessaoud Safaa, Sidi Mohamed Ben Abdallah University, Morocco

15:05 - 15:45

P

Title: Improving Agricultural Production in the Developing Countries

Mohammad Babadoost, University of Illinois, USA

End of the Virtual Conference

UPCOMING CONFERENCE

2nd International Forum on Agricultural Science and Technology

September 12-14, 2024 | Dubai, UAE

AGRIFORUM2024
