

Final Program

ASVMForum2022

International Forum on Animal Science and Veterinary Medicine

August 16, 2022

Virtual

August 16, 2022

Virtual Presentations

London Time Zone (GMT+1)

10:00-10:25	I	Title: WGS Aids One Health Surveillance Yue Min , Zhejiang University, China
10:25-10:50	I	Title: Selenium Yeast Alleviates Deltamethrin-Provoked Cerebrum Injury in Quails via Activation of the GPX4/TLR4 Signaling Pathway Zhigang Zhang, Northeast Agricultural University, China
10:50-11:15	I	Title: Strategic Planning for Conservarion of Threatened Goat Breeds of India Ajoy Mandal, National Dairy Research Institute, India
11:15-11:40	I	Title: Application of Biotechnological Tools for Piggery Improvement Rajib Deb, ICAR-National Research Center on Pig, India
11:40-12:05	I	Title: Animal Science and Veterinary Medicine Ashish Gome, Am Ozonics Private Limited, India
12:05-12:30	I	Title: Vascular Endothelial Growth Factor a Improves Quality of Matured Porcine Oocytes and their Subsequent Development of In Vitro Fertilized Embryos Michel Kere, Nazi Boni University, West Africa
12:30-12:55	I	Title: Alternative Methods for Veterinary Clostridia Vaccine Quality Control Anahita Emadi, Razi Vaccine & Serum Research Institute, Iran
12:55-13:20	I	Title: Agrovet Mentoring and its Contribution in Delivery of Veterinary Services in Developing Countries James Kithuka, The Brooke - East Africa, Kenya
13:20-13:45	I	Title: Fluorescence Light Energy in the Management of Lacerated and Contused Wound in a Horse Andrea Marchegiani, University of Camerino, Italy
13:45-14:10	I	Title: Nutraceuticals: How to Enhance Fertility in Stallions Marilena Bazzano, University of Camerino, Italy

14:10-14:35	I	<p>Title: Microgeographical Disparity in Shell Morphology of the Tidal River Periwinkle <i>Pachymelania Fusca</i></p> <hr/> <p>Honor Ifon, University of Calabar, Nigeria</p>
14:35-15:00	I	<p>Title: Animal Science and Veterinary Medicine</p> <hr/> <p>Olvera Aguirre Gabriel, University of Tabasco, Mexico</p>
15:25-15:50	I	<p>Title: Hyperechoic periportal cuffing in veterinary medicine</p> <hr/> <p>Cristi Glavan, Lime Tree Vets, United Kingdom</p>
15:50-16:15	I	<p>Title: Role of Mass Spectrometry Imaging in Pathobiology & Infectious Diseases</p> <hr/> <p>Behnaz Akbari, Boston University, USA</p>
16:15-16:40	I	<p>Title: Animal Science and Veterinary Medicine</p> <hr/> <p>Naceur M Hamdi, National Institute of Agronomy of Tunis, Tunisia</p>
